## Intermediate Material

|                    |                                                                |                     |                                           |
|--------------------|----------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | 4,7-Dibromo-2,1,3-benzothiadiazole                             | Catalogue Number:   | CIM-101707                                |
| Batch Size:        | N/A                                                            | Lot Number:         | 0119-RH-0081                              |
| CAS Number:        | 15155-41-6                                                     | Production Date:    | Jan 13, 2026                              |
| Molecular Formula: | C <sub>6</sub> H <sub>2</sub> Br <sub>2</sub> N <sub>2</sub> S | Expiry Date:        | Jan 12, 2028                              |
| Molecular Weight:  | 293.97                                                         | Storage:            | Room Temp Protected from light and Sealed |
|                    |                                                                | Shipping Condition: | Shipping at Room Temperature              |

Chemical Structure:

| Test Items     | Method            | Acceptance Criteria   | Results     |
|----------------|-------------------|-----------------------|-------------|
| Appearance     | Visual inspection | White Solid           | White Solid |
| Identification | HNMR              | Conforms to structure | Confirmed   |
| Purity         | HPLC              | NLT 99.0%             | 99.1%       |
