## Reference Material & Standard

|                    |                                                                              |                   |                                           |
|--------------------|------------------------------------------------------------------------------|-------------------|-------------------------------------------|
| Product Name:      | Fmoc-Cys(NPys)-OH                                                            | Catalogue Number: | CPTD785406                                |
| Synonyms:          | N/A                                                                          | Lot Number:       | 0703-SA-7922                              |
| CAS Number:        | 159700-51-3                                                                  | Expiry Date:      | Jul 02, 28                                |
| Molecular Formula: | C <sub>23</sub> H <sub>19</sub> N <sub>3</sub> O <sub>6</sub> S <sub>2</sub> | Storage:          | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 497.54                                                                       |                   |                                           |

Warning:

Chemical Structure:

| Test Items      | Method            | Results       |
|-----------------|-------------------|---------------|
| Appearance      | Visual inspection | Yellow powder |
| Identification: | LC&HNMR           | Confirmed     |
| Purity:         | HPLC              | 97.141%       |

## Directions:

- 1. Intended use: This product is suitable for identification and quantification of the analyte(s), instrument calibration, method development and quality control in analytical and R&D applications. It is not intended for administration to humans or animals, and shall not be used to diagnose, treat or cure any diseases.*
- 2. Minimum sample size: 1mg is recommended as the minimum sample size.*
- 3. Metrological traceability: This product meets the requirements of ISO 17034 and is traceable to NMI through an unbroken chain of comparisons.*
- 4. Instructions for handling and correct use: Handling in a well-ventilated place.*
