## Reference Material & Standard

|                    |                                                                                                            |                     |                                           |
|--------------------|------------------------------------------------------------------------------------------------------------|---------------------|-------------------------------------------|
| Product Name:      | Dipeptide-1 Acetate                                                                                        | Catalogue Number:   | CPTD788822                                |
| Synonyms:          | N/A                                                                                                        | Lot Number:         | 0127-RH-0087                              |
| CAS Number:        | 70904-56-2                                                                                                 | Expiry Date:        | Feb 02, 2030                              |
| Molecular Formula: | C <sub>15</sub> H <sub>23</sub> N <sub>5</sub> O <sub>4</sub> C <sub>2</sub> H <sub>4</sub> O <sub>2</sub> | Storage:            | 2°C ~ 8°C Protected from light and Sealed |
| Molecular Weight:  | 337.37 60.05                                                                                               | Shipping Condition: | Shipping at Room Temperature              |
| Solubility:        | Water                                                                                                      |                     |                                           |

## Chemical Structure:

| Test Items     | Method            | Results     |
|----------------|-------------------|-------------|
| Appearance     | Visual inspection | White Solid |
| Identification | LCMS&HNMR         | Confirmed   |
| Purity         | HPLC              | 99.8%       |
| Assay          | qNMR              | 93.9%       |
