

# Certificate of Analysis

## Reference Material & Standard

|               |                                 |                     |                                           |
|---------------|---------------------------------|---------------------|-------------------------------------------|
| Product Name: | N-Ethyl-N-Nitroso-2-Propanamine | Catalogue Number:   | LCHM703347-ME                             |
| Appearance:   | Colourless Liquid               | Lot Number:         | 0623-RH-0055                              |
| Solvent:      | Methanol                        | Storage:            | -20°C±5°C Protected from light and Sealed |
| Expiry Date:  | May 16, 2027                    | Shipping Condition: | Shipping with Ice Packs                   |

Chemical Structure:

Warning:

| NO. | Component                       | CAS No.    | Certified Concentration Value (µg/mL) | Uncertainty (%) |
|-----|---------------------------------|------------|---------------------------------------|-----------------|
| 1   | N-Ethyl-N-Nitroso-2-Propanamine | 16339-04-1 | 1000                                  | 3               |

## Comment:

The uncertainty values are the expanded uncertainty and represent an estimated standard deviation equal to the positive square root of the total variation of the uncertainty of components. A normal distribution is assumed and a coverage factor of K=2 is chosen using approximately a 95% confidence level.
