

# Certificate of Analysis

## Reference Material & Standard

|                     |                   |                   |                                           |
|---------------------|-------------------|-------------------|-------------------------------------------|
| Product Name:       | Acetamiprid       | Catalogue Number: | LCPD102261                                |
| Appearance:         | Colourless Liquid | Lot Number:       | 0515-RE-0081                              |
| Solvent:            | Methanol          | Storage:          | -20°C±5°C Protected from light and Sealed |
| Expiry Date:        | Sep 01, 2024      |                   |                                           |
| Chemical Structure: |                   |                   |                                           |

| NO. | Component   | CAS No.     | Certified Concentration Value (µg/mL) | Uncertainty (%) |
|-----|-------------|-------------|---------------------------------------|-----------------|
| 1   | Acetamiprid | 135410-20-7 | 101.5                                 | 3               |

## Comment:

The uncertainty values are the expanded uncertainty and represent an estimated standard deviation equal to the positive square root of the total variation of the uncertainty of components. A normal distribution is assumed and a coverage factor of K=2 is chosen using approximately a 95% confidence level.
